The Monthly Magazine of the Residents Association

NUMBER 107

SEPTEMBER 1977

Bar Hill is a marvellous place for children. They can run and play in the open areas away from the dangers of traffic. The spine path and adjoining path make great cycle ways. But bicycles can also be dangerous to the elderly residents and toddlers. Having myself had a bicycle nearly collide with me I know how it feels to be on the wrong end.

It is you the parents who are responsible that your child's bicycle is in good working order. That the brakes, tyres and lights are in good condition and have about that bell? does it work? No I'm not a killjoy, all I ask is that a little care is taken. The last thing we all want is the summer holidays to end in an accident.

Is there any one who can spare a few hours once a month? We need help in distributing the Bar Hill News. If you would like to help please contact Jo Hall at her new address:-

PARISH CCUNCIL NOTES

The full set of Minutes are posted on the Board in the Mall. It is thought that residents would prefer to have only the main points noted in the News.

1. Change of Clerk The Council have appointed Mr Derek Couzin-Wood as the new Clerk to the Parish Council. He lives at 21, Hollytrees and his phone number is Crafts Hill 81129.

Although the formal handover is September 30th I would be grateful if correspondence could be addressed to Mr Couzin-Wood, with immediate effect. The new Clerk will also be in charge of village maintenance. I will continue as Treasurer to the Parish Council.

2. Trees. We are very fortunate to have two offers of free trees, both of which we are accepting. The first, from the Developers is an offer to supply trees to enhance the tree belt alongside the spine path out as far as the perimeter road near the Allotments.

The second is from hhe County Council for planting in 3 or 4 areas around the edge of the village.

3. Village Green. The drainage has been carried out and we shall now have to await some more wet weather to test the efficiency of the system. The boundary adjustment has been very fully discussed. The latest (and last?) proposal is to have the Southern Green boundary starting opposite the first footpath turn off the Spine path behind the bottom of Oatlands Avenue.

4. PLEASE

- A. Dont motor cycle on the paths of the village. The police would like to be advised of any such incidents.
- B. Prevent Skateboards being used in areas where they cause hazards to pedestrians.
- C. Prevent children damaging trees. It happens rarely and is very noticcable when it does occur.

5. Planning.

- A. The Department of the Environment have, on appeal, refused permission for development of the front part of Hollytrees. This is undoubtedly a major planning decision.
- B. Extension to 60, Foxhallow - Council have no comments to Make.
- C. H.H. Electronic wish to erect a flagpole just inside the bad bend on the perimeter road. The Council thought it was a potentially dangerous siting and that the flag would be more useful if sited near the main entrance.

6. Next meeting of the Council Tuesday 20th September
8 pm Green Hut. The public is invited to this and
other Council meetings.

Village Hall Management Committee

To all village organisations.

A village hall Management Committee has been formed to prepare for the running of the new village hall which is due to be built next year. Under its constitution all organisations in the village have the right to be represented on the committee.

The committee meets on the second Monday of each month at 8pm in the Green Hut. The Next meeting is on October the 10th.

Some organisations have not appointed a representative to this committee but they may still do so and new representatives are very welcome to join at any time. Our meetings are anything but dull and we think you will find it rather exciting to have a say in this interesting and worthwhile project.

Secretary.

NATIONAL HOUSEWIVES REGISTER

"A meeting point for the lively minded woman."

The idea of a register of names of lively minded women was first put forward in a national newspaper in 1960 by a young housewife. Her suggestion followed an article and letters on the subject of mental stagnation felt by many who were tied to the house by young children, and of the difficulty of meeting like-minded women on moving to live in a new area.

Meetings are held at regular intervals and usually in members houses. Each group is autonomous and the emphasis is on informativity.

Discussions are held on a wide variety of non domestic topics. Members are encouraged to pay an active part in meetings by leading a discussion, participating in a project of just making the coffee.

Membership is open to anyone interested enough to join. There are no such restrictions as age limits or academic standards.

If you are interested and want to know more, then please come to a coffee evening at 11, OTTERCLOSE on THURSDAY SEPTEMBER 15th at 8 p.m. when Mrs Buttifant, organiser of the Cottenham group, will chat about N.H.R. and suggest possible ideas for forming a Bar Hill group.

Just a reminder - as mentioned in the August News, the Drama Group urgently needs new members to make a production possible. In whatever direction your interests in theatre lie, come along to the school for our first meeting of the new school year at 8.00pm on the 6th September.

BAR HILL ALLOTMENTS ASSOCIATION

1. We would remind those who have allowed their allotments to become over-grown, that they should cut down weeds and grasses, especially those in flower before they seed. There is a clear responsibility on those concerned to ensure this work carried out at the appropriate time, not only because it is a condition under which the plots are let, but also because of the nuisance further propagation of weeds causes on adjacent plots.

2. Rents for next year become due on the 29th September 1977, it would be of considerable help if those not wishing to renew their plots would let me know before this date.

3. The waiting list for allotments will be published next month.

G.S. Wilson

1st BAR HILL SCOUT GROUP

Well, that was the summer holidays that was, and now here is a new term at school and the re-starting of the Packs and Troop as far as the boys are concerned. The Wednesday night Pack will re-start on the 7th September but the first meeting of the Friday night Pack will not be till the 16th September, as all the Cubs will be going away to camp the previous weekend. The Scouts will however meet on Friday the 9th September.

Holidays or not waste paper collection go on and thank you for your support last month. We will be around again in September on Saturday 10th September starting as usual at 9 a.m. Please try and remember to have your papers out by that time. Thank you.

The 'Keep Bar Hill Tidy' campaign went off like a damp squib, mainly due to the very bad weather and the fact that so many children were on holiday at that time. In association with the Guides we will try again some time this Autumn and hope we will be able to interest more children and adults this time.

A full report of the Cubs weekend camp, written by themselves, will be included in this report next month.

Lastly, should you have any questions concerning Scouting on Bar Hill, would like to help with one of the sections (PLEASE), contact Kevin Read-Jones of 34, Acorn Avenue, who will be only too pleased to help.

W.E.A. NEWS

Our social anthropology classes begin on Wednesday, 14th September (8pm at the School, as usual). The course runs for 12 weeks, with breaks on 26th October and 23rd November, ending on 14th December.

Social anthropology generalises about human behaviour, assuming we can learn about our own society by the study of others. Questions we shall be asking include:

How do we sustain the sense of a moral community?

What is the significance of social identity, reputation, gossip, deviance and 'custom'?

Do religious values reflect social structures?

What do we mean by the family? (Its membership and functions are very diverse.)

Is marriage based on property or sentiment?

Are women better off where sex roles are mutually exclusive or where they are interchangeable? (Some division of labour is universal.)

Are all economic systems based on the acquisitive drive?

cont/

We hope to find the answers to these and other questions by looking at societies in different parts of the world, aided and abetted by Dr. Colin Murray, our tutor. Syllabus, booklist and further information available from: Edith Hamill, 23, Acorn Avenue (telephone : CH 80471).

The Wednesday morning literature classes at Swavesey Village College begin on 5th October. The title of the new course is "The Novel - a Good Read" with Mrs Mary Stuart as tutor. The classes are from 10 am - 11.30 am (coffee from 9.30 am) for 10 weeks, with a break for half-term, and a creche will again be available.

Enrolment for the literature class at Swavesey on Tuesday, 13th September, at 7.30 pm or at the first class meeting . For further details and/or a lift on Wednesday mornings, contact: Jacky Pettit, 28, Acorn Avenue (telephone: CH 80400)
